EVENTS at Trinity

Dear guests,

We are delighted that you are considering our establishment for your celebration..

„TRINITY – hospitality with tradition“

This motto is our main focus and we want to convey it to you too, because we want to make your celebration something very special. You and your guests should remember this event with complete satisfaction even later..

Enjoy our excellent, freshly tapped beer specialties and join us on a culinary journey of discovery through international brewery culture.

Our offer offers you a wide selection of traditional dishes that we prepare for you using the best, freshest ingredients.

In an effort to revive and preserve the almost forgotten flavors and dishes of Austrian and international cuisine, we want to make a contribution to the rediscovery of good taste.

With us you will find a traditional, cozy ambience all year round. In summer you can especially enjoy the pleasant atmosphere of our beer garden.

Be it to taste our first-class draft beer in various varieties, to enjoy a large selection of delicious food or to sit together and relax. Our house is open for you every day, 7 days a week, 365 days a year.

Let us pamper you and immerse yourself with us in an incomparable taste experience!
